For interesting "Odds and Ends" of Perennials and Rock Plants, visit our Nursery. Our trial Garden contains hundreds of more or less rare species.

We are located 2 $\frac{1}{2}$ miles south of the center of Poughkeepsie along the Albany Post Road.

Dwarf Evergreens, Dwarf Shrubs, Novelties and old, forgotten plants. Choice plants and rare items. Everything that goes toward making the Rock Garden beautiful and interesting.

Berberis dulcis nana
 Berberis dulcis nana compacta
 Mahonia aquifolia
 Fish-tail Juniper
 Sargent Hemlock
 Yews, - upright and spreading
 Cotoneasters
 Retinospora obtusa nana
